 - Both directions of SR-22 between Los Cerritos and San Gabriel River Bridge
 - **Studebaker Road on & off ramps**

Along with pavement rehabilitation, curb ramps along the project boundaries will be upgraded to comply with the Americans with Disabilities Act (ADA) and electrical improvements will also take place. All American Asphalt is the contractor on this \$1.2 million project, which is expected to be completed in winter 2018. Once complete, this project will provide a smooth ride for motorists and improved crosswalks for pedestrians enhancing the safety while at the same time increasing the life of the pavement. Detours will be posted. Motorists may experience delays. For real time freeway traffic information, please visit the Caltrans Quickmap:
